Back by popular demand, this is the classic guide to surface design. It features dedicated mailing and e-mail campaign to targeted crafting related media & organisations. Back in print by genuine popular demand, this classic volume is

considered by many to be the reference guide to surface design. Packed with everything you need to know to start creating your very own unique design on fabric - using everything from fabric dyes, bleach, and fabric paints to glitter and foil. Also included are dozens of easy-to-follow techniques for adding texture to fabrics with silk screen, stamps, stencils, embroidery, and more. With more than 250 full-colour photographs - both for inspiration, and detailed instruction - "Complex Cloth" is a must have for anyone interested in discovering the secrets of surface design.
