This pocket-sized spiral-bound reference for crochet-lovers is designed to fit into a project bag or basket, lie flat for easy use during project-making, and provide the essential information that crocheters need to have at their fingertips. Step-by-step instruction, helpful hints, and simple illustrations demystify this beautiful folk art. From basic and advanced stitches, finishing techniques, and special touches to time-honoured favourite patterns, motifs, and medallions, this is an indispensable resource for the serious and beginner crocheter alike.
