This revision of the classic *Turning Wood with Richard Raffan* is the definitive primer on the art of turning. With new techniques and up-to-date information on tools, this book is a must for any woodworker. Turning expert Richard Raffan's easy-to-follow instructions and step-by-step illustrations make this accessible to any level of

woodturner. Illustrated in full colour for the first time! Definitive: this has been acclaimed as the textbook on woodturning; widely recommended by craftsmen and teachers as the first book for someone who wants to learn the craft. Comprehensive: covers all the basics to get you started, including lathe and tool selection, sharpening, and innovations in techniques. Best-seller: the first edition, (Taunton Press; 1985; 0-918804-24-8) 15 years old, has sold 91,000 copies, and reprinted seven times. Top author: well known world-wide to woodworkers for his turning tuition video and other books: total unit sales in excess of 160,000.
