What is the difference between a goblin and a ghoul? What's the recipe for pumpkin soup? Where can you see the oldest Halloween parade in the United States? Have you ever wondered how to keep your carved pumpkin from decaying too quickly? If you are looking for information and instructions about every aspect of Halloween, you have come to the right place. This book is packed with ideas for October 31. There are fifty great costumes you can make yourself, recipes for everything from fake blood to pumpkin soup, and lists of great movies, CDs, and spooky books. Lesley Bannatyne has even assembled a number of games drawn from early twentieth-century Halloween celebrations, and includes sample text for party invitations.
