As Barbie approaches her 45th anniversary, celebrate her longevity with a wardrobe worthy of her success in the first official Barbie knits book--enough go-anywhere garments and accessories to fill a Barbie-sized closet. Among the 50-plus stylish patterns, you'll find some winning vintage looks (like a snazzy Sixties dress and go-go boots or a fur-collared sweater), bridesmaids' and wedding dresses, ski and ice-skating outfits, and matching Barbie and Ken denim jackets, Aran sweaters, and Fourth of July pullovers. With patterns for every knitting level, from veteran Barbie knitter to novice

with the needles (even kids). And for every Barbie collector, a history of the Barbie knitting tradition dating back to 1957, when Barbie strolled onto the doll scene and changed it forever.
