isbn:9780873419994

Frustrated by the lack of information in your embroidery machine's instruction manual? This book will help you learn how to use your embroidery machine to its fullest potential. From choosing threads to knowing which stabilizer to pair with your

fabric, you will find helpful tips and techniques for producing creative designs. Learn to successfully hoop and stitch designs and put these skills to use creating simple projects. This title includes a free CD featuring six exclusive embroidery designs digitized by award-winning Lindee Goodall, owner of Cactus Punch.
