Looking for stylish sweaters to crochet? Melissa Leapman has accomplished just that with this, her first collection of crocheted sweaters. Her solid design sense, which is

stylish without being too trendy, marks the book out from other on the market: this book of good-looking crocheted sweaters is a real find. In vogue: crocheted sweaters are in fashion! Full instructions for jacket-, cardigan-, waistcoat- and pullover- style crocheted sweaters. Over twenty projects: a style for every season and every occasion, using a wide variety of yarn. The stitches are interesting and fun to do, and there is plenty of variety - so not matter what skill level, you will find more than one sweater you can't wait to complete.
