Growing Up Just Got Easier...Θ With the help of Angus, the lovable Answer Dog, best-selling author Heidi Murkoff extends a hand to children and parents as they tackle life's first experiences together. You've watched with pride as your child has reached each milestone on the road of development called growing up. But, if you're like most parents, the milestone that looms largest and is most daunting is potty learning. We're here to help you answer your child's questions about when and how to use the potty, why it's important, and how to make the transition from diapers to underpants a smooth one. Have fun! -- Heidi and Angus
