The program that equips students with strong relationship skills! "Families Today" is a proven tool in helping educators meet society's call for strong families. It helps teens understand and strengthen family ties now and in their future. "Families Today" covers

the FCS National Standards for family courses as well as interpersonal relationships courses through a range of topics -- families and society, balancing work and family life, conflict resolution, divorce, financial problems, death, family violence, substance abuse, building a strong marriage, and many more.
