Weekly Reader "RM" Early Learning Library guides beginning readers to greater early literacy proficiency, while introducing common concepts in the early elementary curriculum. Conozcamos nuestro cuerpo/Let's Read About Our Bodies is a bilingual series of eight lively and easy-to-understand books for young readers about parts of the body and the importance of good health habits. Ideal for students just developing fluency in English, they are also great "take home" books for children to read together with parents whose first language is Spanish. Simple, repetitive text closely linked with colorful original photography makes these books exceptionally accessible and appealing. In Manos/Hands readers learn to keep their fingernails short and clean and to wear mittens when it is cold.
