isbn:9780933849549

The Emotional Impact Series... Anger can be a powerful and frightening emotion for children to see in others and experience in themselves. In this book, Dr. Moser explains the causes of anger and offers methods that can help children reduce the amount of anger they feel. He also gives effective techniques to help young people control their behavior, even when they are angry. This book will delight both children and adults. It's informative and it's fun because Dr. Moser examines the complex feelings of human anger with the proper blend of sensitivity and humor. And David Melton's colorful illustrations are bright and witty. Counselors, teachers, parents and children who have read and used Dr. Moser's previous books are sure to welcome Don't Rant & Rave on Wednesdays!
