"Sports Stars, Series 5" adds 22 new amatuer and professional athletes and 12 two-page updates from previous "Sports Stars" series to its coverage. Students will find biographical sketches averaging seven pages each on athletes who participate in a wide range of sports, including auto racing, baseball, basketball, figure skating, golf, hockey, tennis, volleyball and more. Also included is a listing by sport of all the athletes featured in "Series 1, Series 2, Series 3, Series 4" and "Series 5" as well as a cumulative index covering athletes in all fives series. Entries contain more than 50 photos including action shots of the individual. Look for these notables: Lindsey Davenport Tim Duncan Cammie Granato Joe Sakic Sammy Sosa Dawn Staley Jenny Thompson And many others
