Nora Okja Keller, the acclaimed author of *Comfort Woman* , tells the shocking story of a group of young people abandoned after the Korean War. At the center of the tale are two teenage girls-Hyun Jin and Sookie, a teenage prostitute kept by an American soldier-who form a makeshift family with Lobetto, a lost boy who scrapes together a living running errands and pimping for neighborhood girls. Both horrifying and moving, *Fox Girl* at once reveals another layer of war's human detritus and the fierce love between a mother and daughter.
