- A must read!

This is an amazing work of literature!

In this twisted tale you will be introduced to Tess, Iris, Vanessa, Ebony and Bless who find out that The Pleasure of Pain is a true testament that we always want what we shouldn't have. Tess is a strong determined business woman by the day and queen of the streets by night. She will stop at nothing to get the life she wants for herself and her three best friends along with her man, even if it means breaking old bonds and creating lifetime enemies. What she doesn't realize is in the game of cut-throat there are no rules. Bless emerges on the scene after being recently released from prison only to find that things are not the way they were before he got locked up. The worst part is the person he has to fight is the person he least expected would betray him. He is out for blood and hell bent on destroying anyone who gets in his way. Iris is secretly in love with Tess, but plays the friend card in order to get closer to her. She knows that Tess is in love with another man, however that doesn't stop her from plotting to get Tess' heart. Vanessa and Ebony are sisters who share the same father and they happen to be Tess' top lieutenants. Their loyalty and love run deep for Tess and has never been questioned until now... With pleasure there is always a little pain as Tess and her girlfriends will soon find out. Will they break under pressure or will they show why women rule the world?

作者介绍:

Shameek A Speight is an Amazon National best selling author who manages over 20 other authors through his company True Glory Publications. His first book "Child of a Crackhead" is based on his true life story and has propelled the creation of over thirteen self-published books, Before starting his company True Glory Publications . Shameek believes in turning ones pain into triumph and leads by example as he mentors his writers into new levels of success. Shameek stories are harsh, urban nightmares that reflect his own personal struggles growing up.

"I love to look within when I write, people cannot believe what I have gone through and i'm so blessed to know my story is a source of inspiration to others. Believe me when I say, if I can escape the hell I lived through, anyone can. You have to believe in God and you have to believe in your own talents, and we all have them. Be blessed."
