Fever Pitch is the bitter-sweet autobiography which vividly accounts the elation and utter despair of a love affair with a particular football team. A phenomenal best seller and William Hill Sports Book of the Year, it captures the truth and absurdities of the obsessed Arsenal fan's mind, and whether you are interested in football or not, this is a sophisticated study of masculinity, class, identity, growing up, loyalty, depression - and joy.

评论

从没看过球的人实在不知道在说什么，这种球迷的心路历程基本当背景声音了…不过确定了一点，对很多英国球迷来说，足球真的与运动精神没什么关系…更多的是community感（当然文艺青少年作者还赋予了足球很多其它意义）…所以john lydon说你再喜欢曼联只要不是曼城人就是伪球迷，其实是他们的心声来着…

在终于结束将近九年无冠以后，重温了这本书的有声版~ COYG!!!
