著者:Coward, Sylvia

出版者:Sterling Pub Co Inc

出版时间:1994-12

装帧:Pap

isbn:9781853682421

Following a short introduction, which offers fail-safe cake recipes, this book offers

step-by-step instructions on the techniques used throughout the book. Part two takes the reader to the designs - more than 50 have been selected for the book, each allocated a double-page spread. All the various stages are shown close-up in colour, detailing the particular design features used. The third part includes the various templates required for each design - all with comprehensive instructions. The book is principally orientated towards the more ambitious cake decorator, however, its comprehensive easy-to-follow format should also attract the beginner.
