## 评论

索罗斯在采访中还谈了点自己的成长背景 对投机的定位也很是坦率 能对市场大局有如此精准而老辣的认知本来就是值得佩服的事情嘛!

他提出欧盟存亡的关键在于德国

两年后看看许多经济与政治事宜的进展基本是符合他的预测的 只是中东这条线索更加棘手了!

大佬的书,怎么说呢?可能两句五星的话,就值得

---

Soros is no doubt smart and insightful. His analysis of Euro Crisis is better than any I've read. However, his analysis fails to work in China. Maybe it indeed is fallibility and reflexivity at work. There is so much he does not understand about China and the

Chinese.
