Easy to follow step by step lessons enable students to quickly and efficiently learn the features of Microsoft Outlook 2003 and how to use them at school, at home, and in the workplace. This Microsoft Official Academic Course offers friendly, straightforward instruction with a focus on real-world business scenarios. Included with the book is a 180-day trial version of Microsoft Office Professional 2003 and dynamic interactive tutorials from the Microsoft eLearning Library. Skills covered in the book correspond to the objectives tested on the Microsoft Office Specialist Outlook 2003 examination. A complete instructor support program is available with the text.
