It's the hot topic of the moment. Christians, the church and the Bible seem to be out of step with modern attitudes towards homosexuality. And there is growing hostility towards those who hold a different view. So is God homophobic? And what do we say, and how do we relate to both Christians and non Christians who experience same-sex attraction.

In this short, simple book, Sam Allberry wants to help confused Christians understand what God has said about these questions in the scriptures, and offers a positive and liberating way forward through the debate.

God is not anti anyone.. He loves us so much that he hates the thing that caused us pain even when we are the one who made those things happened. He taught us to love each other even our enemies. So let's do it rather than use it as an excuse against each other. God is a loveable, caring, kindness, gentle, and strict Farther.

jesus would beat gay to death :)
