National bestselling author Jennifer Roberson brought the legend of Robin Hood and Maid Marian to life in Lady of the Forest -- a story so beautifully told that it lives on in our imaginations. Roberson, renowned in the fantasy world for two successful and award-winning series, has a devoted following who recognize her storytelling talents, whether she's writing a tale of fantasy or historical fiction. And now, Roberson masterfully continues one of the most cherished love stories of all time -- like Lady of the Forest, told from Marian's perspective. In "Lady Of Sherwood", Robin Hood and Marian are caught up in the intrigue of kings, and face a betrayal that will test their faith in each other...and the power of their love. Robert of Locksley, the handsome son of a respected earl, had long battled the tyranny of Prince John -- a man as weak as he is cruel. Now that power has shifted even more firmly into John's hands, and Robert has no choice but to fight as an outlaw...as Robin Hood. Lady Marian of Ravenskeep has fled into the depths of Sherwood Forest. There, amid the wild woods, she will be transformed from lady to warrior, as Robin's partner in crime, in danger...and in love.
