Cafe@home is all about creating tasty, uncomplicated food and relaxing with the people you care about. Savour the pleasures of brunch, late-morning coffee, memorable lunches, and the almost-forgotten ritual of afternoon tea. Using her favourite mismatched china, glassware, utensils and linen -- and a collection of wonderful new recipes -- Julie Le Clerc generously shares the way she pampers friends

and family.0Enjoy the seductive flavours associated with cafe food every day -- at home. The unique warmth and casual pleasure of cafe eating is perfectly captured by Julie Le Clerc's signature combination of delicious food served up with heaps of style.
