Twenty Attention-Grabbing Career Titles Guaranteed to Get Your Middle Schoolers Thinking About Their Future This compelling new series for the middle school reader is designed to appeal to the thrill seeker in all of us. Each book includes information about a different extreme career, with a focus on safety and training. Readers will learn what it takes to get into these professions and what to expect when embarking on one.

These volumes also provide information on the exciting aspects of these extreme careers and highlight the possible dangers and risks involved. Colorful photographs and informative sidebars help to make these books an invaluable resource for those young readers looking for a thrilling and fun-filled profession. Adventure tour guides take clients into the great outdoors for action-packed excursions in beautiful surroundings. For readers who love extreme adventures, such as white-water rafting and mountain climbing, this book explains how adventure guides earn a living doing what they love in an environment that they can enjoy.
