Classical Music Stories innovatively introduces elementary-age students to the fascinating world of classical music. This resource comprises twenty sections, each featuring a different piece of music. By concentrating on the narrative qualities of

the classical music stories, the incredible world of classical music leaps to life Teachers can also use the cross-curricular approach in this book to introduce subjects as varied as social studies, history, art, creative writing, math, and science. Biographies of the composers highlight the sections, followed by a variety of suggestions, activities, or reproducible worksheets. This is a wonderful way to incorporate music education into your classroom.
