"A billion husbands are about to be replaced."

From the author of Fight Club, the classic portrait of the damaged contemporary male psyche, now comes this novel about the apocalyptic marketing possibilities of female pleasure. Sisters will be doing it for themselves. And doing it. And doing it. And doing it some more . . . Penny Harrigan is a low-level associate in a big Manhattan law firm with an apartment in Queens and no love life at all. So it comes as a great shock when she finds herself invited to dinner by one C. Linus Maxwell, aka "Climax-Well," a software mega-billionaire and lover of the most gorgeous and accomplished women on earth. After dining at Manhattan's most exclusive restaurant, he whisks Penny off to a hotel suite in Paris, where he proceeds, notebook in hand, to bring her to previously undreamed-of heights of orgasmic pleasure for days on end. What's not to like? This: Penny discovers that she is a test subject for the final development of a line of sex toys to be marketed in a nationwide chain of boutiques called Beautiful You. So potent and effective are these devices that women by the millions line up outside the stores on opening day and then lock themselves in their room with them and stop coming out. Except for batteries. Maxwell's plan for erotically enabled world domination must be stopped. But how?

so absurd and intriguing.

设计的挺好 书皮拿掉下面是很有质感的黑色hard cover 上面一个字也没有 很隐晦  
很erotic 10 points!

用性嘲讽一切，全程催吐。

所有看似命中註定的相遇，都是陰毛，啊不，陰謀。

过于扯觉得并不是很有意思

写着写着就收不住脚了 前半部看着像五十度灰 后半部看着啥捏？啥也不像。  
挺好的题材 野心太大 硬生生给毁了
