## MACROMEDIA FLASH PROFESSIONAL 8 GAME DEVELOPMENT

- Provides a complete Flash Professional 8 game development resource.
- Teaches essential game design elements, including challenge, reward, plot, story, and motivation.
- Uses a variety of completely updated games throughout the book—a simple point-and-click "whack-a-mole" game, a bouncing ball block-breaking game, a high-speed top-down view space shooter, format-the-based side-scroller, and an all new optimized action game.
