"On the Notable List for the 2001 Amelia Frances Howard-Gibbon Award Canadian Children's Book Centre Our Choice starred review" When the skinny collie limped into Josie's life two years ago, it was love at first sight. The vet had mended his injured paw,

and Josie had mended his broken heart. She named him Duke and, when Mom wasn't looking, Josie always sneaked him his favorite food --sandwiches. Josie and Duke go everywhere together. They are even together when a big storm hit, but in Josie's panic, she forgets about Duke. Now, because of her, Duke is trapped outside and in danger. Why didn't Duke run home with her? What terrible thing might happen? As violently as the wind, Josie's head swirls with questions, fear, and guilt until the moment she can leave the storm cellar to look for him. A sweet story about love and friendship that reflects the bond between many children and their pets.
