出版时间:2001-01-01

装帧:Board book

isbn:9780967974859

Fun is always in season with this book that teaches children words for different kinds of weather conditions. The wonderfully textured illustrations depict active children enjoying all kinds of weather. The last section is a pronunciation guide for the weather words and the four seasons. Written by Gladys Rosa-Mendoza, edited by Carolina Cifuentes, and illustrated by C.D. Hullinger.
