As she peered over the edge of the gallery, Sabrina Cameron trembled at the sight of the sun-bronzed giant striding into view. But she never recognized the stranger...not until the moment she found herself surrounded by arms of warm steel—and drowning in smoldering green eyes that had once held cool disdain but now shimmered with passion. Morgan MacDonnell, the boy, had been her tormentor. Now it looked as if Morgan, the man, would prove infinitely more dangerous...

Though hatred divided their clans, Morgan MacDonnell had come to Cameron Glen hoping for a truce...only to find that by evening's end the only way to avert bloodshed between the two families was for him to marry his enemy's daughter. But even as Morgan spirited Sabrina away to his rugged fortress, his battle would not be won. For this delicate rose of a girl would put up a bold fight...and the spoils of victory would be nothing less than a heathen MacDonell's heart.
