Who said the streets don't love nobody? Black is the novel that shatters the myth. Kaia didn't choose the streets. The streets chose her. Tossed from a broken home, Kaia is forced to learn the hard way just how grimy street life can be. Shedding her innocents, Kaia, overnight it seems, goes from being an often overlooked, stepped upon and crushed little girl, to a woman. She endures all of the drama that is thrown her way, sometimes catching it and sometimes being knocked flat on her ass. To aid in softening the blow is Aaron. Even street fairy tales has a Prince. Experiencing seclusion and imprisonment while locked down in street dreams and the illusion called love, is Aaron a Savior or Satan? With enemies in disguise, Kaia fights for survival and freedom,

but to survive the streets could mean suffocating the freedom of her mind. Like a captured black butterfly, Kaia struggles to emerge and triumph, but victory ain't always sweet, as a matter of fact, sometimes it's bitter to the end.
