WARNING: This story will make you laugh so hard, your stomach will jiggle like a bowl full of jelly . . . Before the big belly, rosy cheeks, and long white beard, Santa Claus was a normal teenager -- living a not-so-normal life! Even as a kid, Santa was full of good cheer. But where did he get that suit? And those reindeer? And why did a boy from the North Pole start delivering presents to children all around the world? The answers are in this book -- and they aren't what you'd expect!
