Can't draw a straight line? Or maybe you love to draw and want to hone your skills. Either way, this kit gives you everything you need to become the next Picasso! In addition to a complete set of drawing tools, this kit provides lessons on the drawing techniques used by great artists, and it also features step-by-step drawing projects that will increase your skill and pleasure in the art of drawing. With a 6-inch artist's

mannequin that can fully pose, textured drawing paper, portable sketchpad, 5 specialized pencils, smudging and erasing tools, and pencil sharpener, this unique art kit is designed to help novice and seasoned artists alike.
