

# Beginner's Guide to Beadwork

[Beginner's Guide to Beadwork\\_下载链接1](#)

著者:Rollason, Madeleine

出版者:Independent Pub Group

出版时间:2004-2

装帧:Pap

isbn:9781903975398

Stringing, stitching, netting, weaving and fringing are all covered and as each technique is explored, you will learn how to make earrings, necklaces, bracelets, bags,

purses, wallhangings and more. Skills are cleverly built up through a sequence of practical, inspiring projects which are designed to increase confidence and to be enjoyed. Once you have worked through the basics, this informative and delightful book will enable you to create your own beautiful designs and it will not only appeal to beginners, but to anyone interested in beads and beadwork.
