THE HILARIOUS ADVENTURES OF TWO CONFUSED CANINES Down Girl and Sit are two dogs who are "smarter than squirrels." They know how to protect their masters from all the things that can go wrong in the neighborhood: they bark at paperboys and guard the garbage cans, and keep mischievous squirrels at bay. But when Here Kitty Kitty moves in next door, their daily routines are turned topsy-turvy. Filled with humor and adventure, this illustrated chapter book takes a look at life in the backyard from the well-intentioned but misguided viewpoint of man's best friend.
