Adrienne Dealey has spent the past six years working for hotels in exotic resort towns. This summer she has decided to make Nantucket home. Left flat broke by her ex-boyfriend, she is desperate to earn some fast money. When the desirable Thatcher Smith, owner of Nantucket's hottest restaurant, is the only one to offer her a job, she wonders if she can get by with no restaurant experience. Thatcher gives Adrienne a crash course in the business...and they share an instant attraction. But there is a mystery about their situation: What is it about Fiona, the Blue Bistro's chef, who captures Thatcher's attention again and again? And why does such a successful restaurant seem to be in its final season before closing its doors for good? Despite her uncertainty, Adrienne must decide whether she'll move on, as she always does--or finally open her heart...
