In this suspenseful fifth book in our wonderful series created by veteran dog trainer Lee Charles Kelley, a clever kennel owner, his lady love, and his loyal canines must solve their most disturbing mystery yet! It's October in Maine and ex-cop/criminologist turned dog trainer Jack Field and his fiancée, Chief State Medical Examiner Dr. Jamie Cutter, are getting married in a few weeks. But fate puts a wrench in their plans when the police find a young woman's body in a secluded lake. Jamie asks Jack, who's been appointed her civilian advisor, to come to the scene. Seeing the body sparks a memory of a case Jack studied while taking a seminar at the FBI's Behavioral Science Unit. He suspects the death is the work of a serial killer and as the mystery unfolds, it becomes clear that suspects abound, including a sleazy private detective, a well-respected botanist, recruits in the upper echelons of the FBI, and even the wealthy husband of Jack's ex-girlfriend. Add an adorable Dalmatian named Daisy and a wedding ceremony like no other you've ever seen, and you've got Kelley's most touching, heartbreakingly suspenseful, and downright hilarious book yet!
