His heart could be captured--but his passion could never be tamed.... From the acclaimed author of Prince of Shadows and Body and Soul comes the first novel in a powerful new trilogy, the story of a noble clan whose elegance belies a savage secret--and a man who will stop at nothing to preserve his family's dynasty forevermore--. Braden Forster, Earl of Greyburn, has devoted his life to restoring the purity of his clan's werewolf blood. He spent years searching in vain for a distant American cousin, a woman whose pure wolf bloodline is a vital link in his family's heritage. Braden had thought Cassidy Holt was lost forever--until she appeared one rainy night on the steps of his London mansion...her raven hair in disarray, her skin scented with sunlight and sagebrush. As Braden whisks young Cassidy to his family's secluded country estate, both can sense their undeniable attraction. But Cassidy soon learns that they can never satisfy their mutual passion; Braden has already betrothed her to another. Her only hope of claiming the one man she'll always love is to unravel the dark and lustful secrets of his past--.
