Miss Piggy, everyone's favorite vamp-turned-mutt, is back for another matchmaking adventure! Shipped off to Arizona to work as a pet therapy dog, Piggy now lives with Nell Jordan, a freelance journalist living a hand-to-mouth existence writing human interest stories and volunteering for her pet therapy group, "Hearts of Gold." When one of the most curmudgeonly patients on their visiting route dies, Nell is shocked to learn that he's left \$12 million...to Piggy! Miss Piggy's all-too-human-spirit is thrilled by her nouveau riche status, but foiled by her doggy exterior—and by the presence of Dan Travis, Nell's new boyfriend. Piggy's convinced that Dan's only after Nell's—er, Piggy's—money, and is determined to break them up. But Dan has secrets bigger than that, and as he falls harder and harder for Nell, they threaten to blow up in his face.
