Dan Shaw hopes to be a lawyer some day--if he can only stay out of prison long enough to pass the bar. Neither is likely when he agrees to help a hotshot Florida attorney track down a slick con man whose swindled a consortium of well-to-do Paradise Key clients out of twenty-two million dollars. But the charismatic Victor Trebuchet and his sexy partner-in- crime are a lot more dangerous than anyone imagined. And the silken counter-sting set up in an Italian villa to snare the pair may end up trapping Shaw instead. With that much money on the line, anyone is liable to betray anyone. For now, Shaw's living the high life and he's way over his head. Soon he may find himself doing hard-time--or, worse, in a watery grave at the bottom of Bell Harbor.
