isbn:9780205433803

This innovative title focuses on learning through as well as learning about the arts. It explores numerous ways in which the arts- visual, literary, and performing-can be integrated across the K-8 curriculum. Arts and Learning, 3/e reflects contemporary

theory and practice and promotes ideas and skills that tap children's propensity for creativity and critical thinking. This text provides numerous strategies and examples of learning through classroom activities such as music, dance, and poetry.
