

# 60 Strategies for Improving Reading Comprehension in Grades K-8

[60 Strategies for Improving Reading Comprehension in Grades K-8\\_ 下载链接1](#)

著者:Jonson, Kathleen Feeney

出版者:Sage Pubns

出版时间:2005-12

装帧:Pap

isbn:9780761988380

This book, designed as a reference tool, fills a void by providing a concise overview of the teaching practices of literacy, helping readers examine and evaluate teaching

strategies and techniques in the areas of reading, writing, listening, speaking, and visualizing. Jonson's book follows a user-friendly format that includes:

- o Names of specific strategies
- o Who would use a given strategy
- o When and why a strategy should be used
- o How a strategy should be implemented
- o Alternative implementation ideas
- o Supplies required to implement the strategies
- o Figures and illustrations

Jonson brings more than 30 years of experience as a teacher, reading specialist, principal, staff developer, and professor of teacher education to the project. This excellent resource not only synthesizes the current research and theory of best instructional practices, but also presents information in a clear, logical, and accessible manner for practitioners.
