In this new addition to the Knowledge Essentials series, Kindergarten Success shows you how to enrich your child's classroom learning and take an active role in your kindergarten's education by exploring: What your child is learning at school and the educational standards to expect in math, language arts, science, and social studies—as well as the developmental skills expected of your kindergartener. Your child's learning style—visual, auditory, or kinesthetic—and how it affects the way your child learns and processes information. Hundreds of easy-to-do activities designed to help your child meet specific learning requirements. Environmental learning sections that identify learning opportunities in the everyday world. Methods and checklists to assess your child's progress. The developmental and social changes expected of your kindergartener as well as information on how to determine readiness to move up to the first grade. Recommendations of age-appropriate books and software that will enhance learning.
