” We are the rebels asking for the storm, and believing that truth is only to be found in an endless search ... Two years of prison for Pussy Riot is our tribute to a destiny that gave us sharp ears, allowing us to sound the note A when everyone else is used to hearing G flat.”

In an extraordinary exchange of letters, Slovenian philosopher Slavoj iek and imprisoned Pussy Riot member Nadezhda Tolokonnikova discuss artistic subversion, political activism, and the future of democracy via the ideas of Hegel, Deleuze, Nietzsche, and even Laurie Anderson. Touching, erudite, sharp, and worldly, their correspondence unfolds with poetic urgency.
