This book is useful when you don't have the time...but you still need the grade! If our life is too busy to spend hours pouring over lengthy textbooks, and you need every study minute to count, this "Schaum's Easy Outline" is perfect for you! This super-condensed, high-torque study guide gives you what you need to know in a fraction of the time. Built for quick, effective study, this "Easy Outline" packs exciting new learning tools that make mastering college chemistry fast, fun - and almost automatic. Quick-study experts slashed the time you need to spend with your books by reducing college chemistry to the essentials the professor expects you to know. This Easy Outline is perfect for test preparation, pre-exam review, and handling those last-minute cram situations. "Easy Outlines" give you 100 per cent of the authority of "Schaum's" full-sized guides, known around the world for the highest academic standards. Compact and portable, this "Easy Outline" lets you study college chemistry anywhere. "Schaum's" gets the grade! Let's talk bottom line. "Schaum's Easy Outlines" give you what you want - better grades, with less work, and more free time! Get the essence of chemistry the easy way. "Schaum's Easy Outline of College Chemistry" helps you master chemistry with plenty of illustrations, memory joggers, and the newest, rapid-absorption teaching techniques. Backed by Schaum's reputation for academic authority, this is the study guide students turn to and trust. Students know that "Schaum's" is going to be there for them when they need it!
