著者:Connolly, Sean

出版者:Black Rabbit Books

出版时间:

装帧:LIB

isbn:9781583406465

This series offers a candid look at the prevalence of drugs in the lives of young people today, as well as the problems that drugs--from marijuana to ecstasy--can create. Hard-hitting facts and statistics offer tough truths about drug abuse, while testimonials from real teens shed light on such topics as peer pressure and the dangers of addiction. Each book points readers to useful Web sites on the topic.
