Mookey, the Monkey was born with no fur, not a single hair. His family loves to pat his smooth head and make him fun clothes. But when he starts school, some of his classmates stare and giggle and call him "Baldy." Mookey thinks acquiring fur is the answer, but his attempts don't work out the way he imagines. At the urging of the wise

owl, Mookey visits his jungle friends, who offer helpful ideas for dealing with teasing - and help him realize his own strengths.
