JOURNEY TO THE EDGE OF THE WORLD... In her father's village Kat is scorned for her fiery red hair, the legacy of her father's shameful marriage to a native woman. Her only true home is with Nall, a man who appeared to her from the depths of the sea, an outsider too. Now a war is breaking out, and Kat's beloved brother, Dai, is taken prisoner. Kat realizes that the only way she can save him is to join Nall on a dangerous quest that will take them to the last boundary of all -- the Gate where the world was born. It is during this journey that Kat must confront not only the earthly battle that is tearing her world apart, but the struggle within herself and with the man she loves.
