The fourth title in an all-new series for young readers, complete with its very own book club!

Eye of Fortune continues a new series of adventures written specifically for readers ages 8 and up. Sized to fit the young reader market, the series follows the adventures of three children who, through their heroic deeds, become members of the Order of the Knights of the Silver Dragon. This opportunity will be extended to readers of the series as well through the Knights of the Silver Dragon Club. Young readers are encouraged to join and participate in the club, and in turn they will receive free giveaways, special correspondence, and other benefits.
