This title is suitable for toddlers and ages upwards. With text approved by the animal authorities at SeaWorld, photographs provided by the parks, and with the well-known SeaWorld brand on the cover, the marine animal's series is sure to be a big seller. To begin the series are the dolphins - the clowns of the sea; the sea lions - the clowns of circuses everywhere; the killer whale - made cuddly by Shamu the star of SeaWorld; and the adorable penguins - birds in formal attire with a funny waddle.
