Peekaboo What's hiding behind those paws? Why, it's something woolly, something fluffy, something fuzzy, and something squeaky . . . a colorful menagerie of playful animals, each eager to be covered with kisses.

With flaps to lift, a squeaker to press, and a peek-at-yourself mirror at the end, this touchable, smoochable new book from the popular creator of "Animal Kisses" and "Baby Animal Kisses" is loaded with fun, surprises, and, of course, plenty of kisses.
