Will the attack of the Spirit Bear destroy Cole's life or save his soul? Cole Matthews has been fighting, stealing, and raising hell for years. So his punishment for beating Peter Driscoll senseless is harsh. Given a choice between prison and Native American Circle Justice, Cole chooses Circle Justice: He'll spend one year in complete isolation on a remote Alaskan island. In the first days of his banishment, Cole is mauled by a mysterious white bear and nearly dies. Now there's no one left to save Cole, but Cole himself.
